Leadership  
SIMULCAST  
— APRIL 13, 2016 —

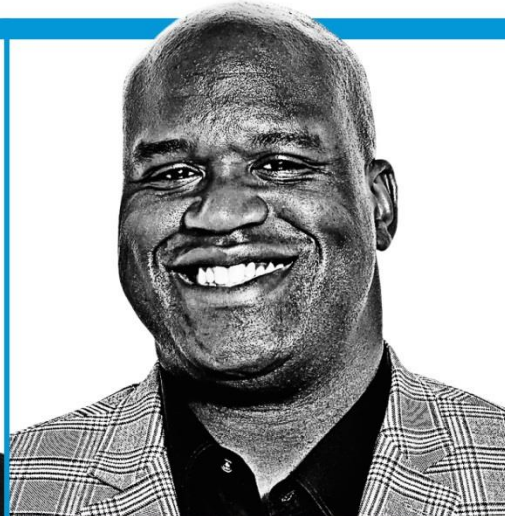

## WHAT GOT YOU HERE, WON'T GET YOU THERE

**MARSHALL GOLDSMITH**

Author, Professor,  
and Executive Coach

The corporate world is filled with executives who have worked hard to reach upper management. They're intelligent, skilled, and charismatic, but only a handful will reach the pinnacle. Subtle nuances make all the difference—small “transactional flaws” performed against others can hold any leader back. Goldsmith will show how it's an easy behavior to change.

## Q&A: LEADERSHIP LESSONS FROM INSIDE THE PAINT

**SHAQUILLE “SHAQ” O’NEAL**

Television Sports Analyst and  
15-time NBA All-Star

During this Q&A session, you'll learn about the people and experiences that have propelled four-time NBA Champion and 15-time NBA all-star Shaquille “Shaq” O’Neal toward success throughout his legendary career. Named the fourth most influential athlete by Forbes magazine, Shaq will share the lessons he's learned about great leadership both on and off the basketball court.

## THE 10 Ls OF LEADERSHIP

**KAPLAN MOBRAY**

Author, Motivational Speaker,  
and Career Consultant

Mobray will present an unconventional spin on leadership that will challenge you to understand your unique leadership qualities in the absence of a role or title through concepts like having a vision, succession planning, and how to really know your people. The 10 Ls will become your formula for leadership success.
