REQUEST FOR UTILITIES (RFU)

CASE # _____ RFU # _____

Project Category:

- Project Category options: New Single Family Dwelling, New Commercial Building, New Tenant Improvement project, Temporary power to allow for cleaning and showing only.

Utilities Requested:

- Utilities Requested options: All Electric, Electric and Propane, Electric and Natural Gas, Natural Gas Only.

Procedure for requesting Temporary Power for Non-Occupied Spaces (cleaning and showing space only):

- Procedure steps: 1. Fill out this form... 2. Once permit is issued... 3. Permit is valid for 60 days... 4. If a tenant improvement permit is applied...

A Temporary Power Pole permit may be allowed to substitute for an electric utility request for New Single Family Dwellings and New Commercial Buildings only.

Minimum City Requirements to Hang a Utility Tag:

Electric - The panel must be installed (metal strap supports are OK) and grounded. A GFCI plug and the panel dead-face must be installed.

Gas - A furnace used for dryout must be installed and the venting completed. The thermostat and registers are not required. The gas line will be pressure tested after the sheetrock is hung.
