**AFFORDABLE HOUSING PLAN AGREEMENT  
 FOR THE RIO DEL ORO SPECIFIC PLAN  
 BY AND BETWEEN  
 THE CITY OF RANCHO CORDOVA, AND  
 ALTA VISTA, LLC**

**THIS AFFORDABLE HOUSING PLAN AGREEMENT** ("AHP" or "Agreement"), and the requirements herein, are agreed upon by and between the CITY OF RANCHO CORDOVA ("City") and ALTA VISTA, LLC, an Arizona limited liability company ("Landowner"), as of December 16, 2019. City and Landowner are hereinafter sometimes collectively referred to as the Parties. This AHP shall be binding on Landowner and on any and all of Landowner's successors and assigns developing the real property described in Exhibit 1 and depicted in Exhibit 2 hereto and incorporated herein (the "Property") within the Rio Del Oro Specific Plan ("RDOSP").

**RECITALS**

**WHEREAS**, pursuant to California Government Code section 65580, the Legislature has established the following policies related to the provision of affordable housing: 1) the availability of housing is of vital statewide importance, and the early attainment of decent housing and a suitable living environment for every Californian, including farmworkers, is a priority of the highest order; 2) the early attainment of this goal requires the cooperative participation of government and the private sector in an effort to expand housing opportunities and accommodate the housing needs of Californians of all economic levels; 3) the provision of housing affordable to low- and moderate-income households requires the cooperation of all levels of government; 4) local and State governments have a responsibility to use the powers vested in them to facilitate the improvement and development of housing to make adequate provision for the housing needs of all economic segments of the community; and 5) the Legislature recognizes that in carrying out this responsibility, each local government also has the responsibility to consider economic, environmental, and fiscal factors and community goals set forth in the general plan and to cooperate with other local governments and the State in addressing regional housing needs; and

**WHEREAS**, the City of Rancho Cordova Housing Element, adopted December 16, 2013 by City Council Resolution No. 119-2013 ("Housing Element") states that all large-scale development in the City's undeveloped areas, generally located south of Highway 50, is required to provide a range of housing opportunities responding to the housing needs associated with the proposed development; and

**WHEREAS**, Policy H.1.5 of the Housing Element states that “[d]evelopers of new residential projects within the newly developing areas of the City (generally in the large, vacant areas south of Highway 50) shall prepare an Affordable Housing Plan (Plan) for the project for City review and approval that identifies the project’s plan for providing affordable housing;” and

**WHEREAS**, Housing Element Action H.1.5.1 provides that the Affordable Housing Plan “shall be approved in conjunction with the earliest stage of project entitlement, typically with the City Council approval of the Specific Plan, Development Agreement, or other primary land use entitlement,” and “[i]n order to ensure the production and preservation of housing affordable to the City’s workforce, no productive, reasonable program or incentive option will be excluded from consideration within project-specific Affordable Housing Plans...;” and

**WHEREAS**, on September 20, 2012, the Sacramento Area Council of Governments’ (“SACOG”) Board of Directors unanimously approved the 2013-21 Regional Housing Needs Plan (“RHNP”). This action was the final stage in the adoption of an eight-year plan for the Regional Housing Needs Allocation (“RHNA”). RHNA is a State requirement to determine the number of housing units that cities and counties must plan for in their housing element updates. Pursuant to California Government Code section 65583, local governments are required to update their housing elements to plan to accommodate their entire RHNA share by income category; and

**WHEREAS**, the City has received an allocation from SACOG of the projected share of the Region’s total growth within the City, including both a projected allocation of total housing units and a distribution of this projected growth by family income categories; and

**WHEREAS**, the City intends to meet Housing Element Policies H.1.5, H.1.5.1 and the requirements of state law by demonstrating that it is providing sufficient zoning capacity to accommodate a portion of the RHNA for housing available to a variety of income categories within the RDOSP area (“RDOSP Area”); and

**WHEREAS**, based on the foregoing requirements, this AHP is comprised of two major components: the Property’s fair share of the RHNA allocation and affordable housing performance; and

**WHEREAS**, the City Council supports and has determined that an Affordable Housing In Lieu Fee of Four Thousand Five Hundred Fifty Seven Dollars (\$4,557.00) per MRU in the RDOSP Area will, when combined with the City’s non-residential linkage fees as set forth in Rancho Cordova Municipal Code Chapter 16.89 and Sacramento County Code Chapter 16.89, state and federal tax credits, and other state, federal and local grant and loan program funds, result in sufficient funds for City, or another third party, to develop within the City approximately six percent (6%) of new residential development as affordable rental units and one percent (1%) as affordable for-sale units; and

**WHEREAS**, in preparing this AHP, the City and Landowner considered economic, environmental, and fiscal factors and community goals set forth in the general plan; and

**WHEREAS**, Landowner has agreed to meet the affordable housing obligations as identified in this AHP. This AHP fully satisfies Landowner’s obligations pursuant to Housing Element Policy H.1.5 and all action items related thereto; and

**WHEREAS**, pursuant to the City's Housing Element, the requirement to enter into this AHP is a condition of approval for projects within the RDOSP Area. Any violation by Landowner of the terms of this AHP shall be considered a violation of the conditions of approval and shall permit the City to proceed with enforcement action as further set forth in this Agreement.

**THEREFORE**, in consideration of the foregoing recitals and the mutual covenants contained herein, the Parties hereby agree to the following AHP:

“**SACOG**” shall mean the Sacramento Area Council of Governments.

## **AGREEMENT**

**1. Property Subject to this Affordable Housing Plan.** Landowner owns fee title to the Property. This AHP shall apply to, and be recorded on, the Property. The remaining portion of the RDOSP Area shall also be subject to a separate AHP, entered into between the City and the owner of fee title to that other portion of the RDOSP Area. Landowner understands, and City represents, that City intends to impose similar terms and conditions related to affordable housing on all portions of the RDOSP Area.

**2. Payment of Affordable Housing In Lieu Fee.** All MRU (both single family and multi-family) shall pay an Affordable Housing In Lieu Fee of Four Thousand Five Hundred Fifty Seven Dollars (\$4,557.00) per MRU. The Affordable Housing In Lieu Fee shall be due and payable at the time a building permit is issued for the unit or multi-family structure.

**2.1. Exemptions.** No Affordable Housing In Lieu Fee shall be required to be paid by any Affordable Units developed on the Property or by any development or structure subject to a non-residential building permit. Any development or structure subject to a non-residential building permit shall pay the housing trust development impact fee established pursuant to Rancho Cordova Municipal Code Chapter 16.89 and Sacramento County Code Chapter 16.89.

**2.2. Increases to Affordable Housing In Lieu Fee.** The Affordable Housing In Lieu Fee shall not be subject to increase during the “Incentive Period,” as that phrase is defined in the ARDA between the Parties. After the expiration of the Incentive Period, the Affordable Housing In Lieu Fee required under this AHP shall be adjusted annually in January based upon the October to October index value increase found in the 20 City Building Cost Index published in Engineering News Record (ENR), averaged with the ENR’s index of the City of San Francisco between            October            and            October            of            each            year.

**3. Regional Housing Needs Allocation for the RDOSP Area.** Based on the RHNA, City has designated 98 acres within the RDOSP Area for high density development, and City has identified as "RHNA Acreage" the property identified on Exhibit 3 to this AHP. Landowner has no obligation to develop or cause the development of Affordable Units on the RHNA Acreage. However, unless otherwise approved by the City, any development of the that portion of the RHNA Acreage within the Property as, if, and when the same occurs, shall be consistent with RHNA requirements as identified by the Housing Element (in effect as of the date of this AHP), and shall be at a minimum density of 26 dwelling units per acre, subject to the following provisions:

**3.1. No Net Loss.** California Government Code section 65584 requires all development on RHNA qualifying acres approved by the State through the Housing Element process to yield no less than the minimum acreage used to satisfy State RHNA requirements. In order to contribute to the required RHNA performance, development on the RHNA Acreage must be at or above a density of an average of 26 units per acre, unless the City can make the following findings in writing supported by substantial evidence: (1) the reduction is consistent with the adopted General Plan, including the Housing Element, and (2) the remaining sites identified in the Housing Element are adequate to accommodate the City's share of the regional housing need pursuant to Government Code section 65863. The City will accept an average of 26 units per acre on RHNA Acreage being developed concurrently by the same owner.

**3.2. Review of RHNA Acreage.** The Parties acknowledge that SACOG will review, from time to time, the RHNA for the City. The SACOG allocation of RHNA units to the City may differ from the amounts anticipated in determining projected RHNA requirements for the RDOSP Area. However, no such future adjustment by SACOG in the allocation of RHNA units to the City shall result in an increase to the RHNA Acreage as described herein. There may be changes in market conditions and demand which result in amendments to policy and statute. In order to be more responsive to future conditions in the RDOSP Area, upon receipt by City of a written request from Landowner for reconsideration of the allocation of RHNA Acreage, the City will consider whether RHNA Acreage is still needed to accommodate the City's regional housing needs pursuant to Government Code section 65584.

**4. Affordable Housing Performance Requirements.** Landowner has no obligation to construct Affordable Units under this AHP, and is not required to reserve or dedicate any land for the construction of affordable housing. However, at the request of City, Landowner has identified locations and acreages of four (4) sites, which may be subdivided to create three-acre parcels in the future (the "Identified Sites"), as shown on Exhibit 4 attached hereto, that may be suitable for the construction of Affordable Units by third parties. Landowner will offer to City for compensation at fair market value (to be determined as set forth below) all or a portion of the Identified Sites as follows:

**4.1 Identified Sites for Affordable Units.**

**4.1.1. Total Acreage.** The Identified Sites within the Property will result in 12 acres of HD available for purchase by the City. The Identified Sites are depicted on Exhibit 4.

**4.1.2. Timing and Manner of Acquisition.** City shall have the option to purchase any three (3) acre parcel within an Identified Site(s) (the "Parcel"). Such option shall be exercised no earlier than the date of approval of the small lot tentative subdivision map which includes the Identified Site(s), and no later than sixty (60) days after recordation of the final small lot subdivision map which includes the Identified Site. City shall exercise such option by delivering to Landowner a written purchase and sale agreement ("PSA"), executed by City as the buyer,

along with a written appraisal of the Parcel substantiating the purchase price as set forth in the PSA. Said appraisal shall include the value of any improvements constructed or to be constructed by Landowner, including but not limited to the value of rough grading and stubbing for natural gas, water, storm drain, sewer, conduit for electrical and fiber, etc.). Landowner shall have ninety (90) days from the date of receipt of the PSA to either accept the offer by executing the PSA as the seller, or to make a written counteroffer to City. In the event City does not exercise its option within sixty (60) days after recordation of the final small lot subdivision map which includes the Identified Site(s), City's option to purchase the Identified Site(s) within the final small lot subdivision map shall terminate.

If Landowner's counteroffer includes a purchase price different from that included in the PSA, Landowner shall include in its counteroffer a second written appraisal substantiating Landowner's proposed purchase price. Landowner and City shall meet and confer, in good faith, to resolve any differences between City's PSA and Landowner's counteroffer. If, within fifteen (15) days after presentation of Landowner's counteroffer to City, the Parties cannot agree on a purchase price and execute a final PSA, City and Landowner shall, within an additional fifteen (15) days, agree on and retain a third appraiser who shall decide the purchase price within thirty (30) days after such appraiser is engaged, with the costs of this determination to be shared equally by the Parties. The purchase price decided by the third appraiser shall not be less than the purchase price set forth in City's proposed PSA, and shall not be more than the purchase price set forth in Landowner's counteroffer.

Any other terms and/or conditions that Landowner's counteroffer modifies or adds from those set forth in City's proposed PSA shall be resolved in good faith between the Parties, it being acknowledged that the material terms of any final PSA are included in this AHP.

Once the purchase price has been resolved in the manner described above, the Parties shall execute the final PSA within fifteen (15) days after receipt of the third appraiser's determination of purchase price. Unless otherwise specified therein, close of escrow shall occur not more than sixty (60) days after full execution of the final PSA.

Landowner shall have the right at any time to present City with a written offer to sell a Parcel to City. City shall have no obligation to accept or reject such offer, or to make a counteroffer, prior to the date which is sixty (60) days after recordation of the final small lot subdivision map which includes the Parcel, provided that City agrees that it will nevertheless consider any such offer in good faith.

**4.1.3 Compensation to Landowner.** Landowner shall be paid the purchase price either (a) in cash or (b) through the application of credits to any Exactions owed on remaining undeveloped units within the subdivision. In the event Landowner is compensated through credits, City and Landowner will enter into an appropriate agreement memorializing the application of the credits prior to close of escrow.

**4.1.4 Obligations of Landowner with Respect to Improvements for Identified Site(s).** City acknowledges and agrees that, other than the agreement as to the location of the Identified Site(s), Landowner shall not be required to reserve or dedicate any of the Identified Site(s) to City and Landowner is not required to construct Affordable Units on the Identified Sites. City further acknowledges and agrees that Landowner has no obligation or requirement to construct frontage improvements to the Identified Site(s), including but not limited to curb, gutter, and sidewalk. If Landowner installs improvements of any kind, the value of the

improvements shall be included in the purchase price and either paid for or credited to Landowner as provided in Section 4.1.4.

**4.1.5 Construction of Affordable Units on the Identified Site(s).** City shall consult with Landowner on the selection of a third party who will construct Affordable Units on the identified Site(s). The design, landscaping, materials, and all other pertinent development standards contained in the Rio del Oro Specific Plan Development Standards and Design Guidelines (and any and all amendments thereto) shall apply to the construction of the Affordable Units.

**4.2 Other Options for Meeting Obligations Under the AHP.** The Parties acknowledge that as the Property develops and market conditions evolve, new solutions for meeting affordable housing obligations may arise and merit consideration. Pursuant to Section 5.2 below, the Parties may cooperate to amend this AHP to accommodate such additional options.

**5. Term, Amendment and Termination.**

**5.1. Term.** This term of this AHP shall extend and be equal to the term of the ARDA, but the requirements applicable to any MRU shall terminate after the payment of the Affordable Housing In Lieu Fee for that MRU, and shall terminate as to the entire Property when all Affordable Housing In Lieu Fees required by this Agreement for the Property have been paid and Landowner has fully complied with the requirements of Section 4.

**5.2. Amendment by Mutual Consent.** This AHP may be amended in writing from time to time by mutual consent of the City and Landowner.

**5.3. Termination.** This AHP may be canceled in whole or in part only by mutual consent of the City and Landowner or their successors in interest. Any fees paid pursuant to this AHP and spent by the City prior to the date of cancellation shall be retained by City.

**6. Breach.** This AHP is implemented as a condition of approval for consistency with the City's Housing Element. Any material violation by Landowner of the requirements under this AHP shall be considered a violation of a condition of approval, and City may invoke remedies appropriate to violation of a condition of approval, including the withholding of building permits until such violation has been cured. The procedures regarding defaults and opportunity to cure set forth in the ARDA (Sections 17, and 17.1 through 17.1.4, inclusive) shall apply to any alleged violation of the terms of this AHP.

**7. Severability.** If any part of this AHP is for any reason held to be unenforceable, the rest of the AHP remains fully enforceable. If, however, a provision of this AHP is determined to be invalid or unenforceable and the effect is to deprive Landowner of an essential benefit of this AHP, then Landowner will have the option to terminate this entire Agreement upon written notice to City. If City contends that it has been deprived of an essential benefit of this AHP, then City shall notify Landowner and the Parties will meet and confer to evaluate whether the remainder of the Agreement should be valid and enforceable.

**8. Applicable Law.** California law applies to this AHP without regard for any choice-of-law rules that might direct the application of the laws of any other jurisdiction.

**9. Attorneys' Fees and Costs in Legal Actions by Parties to the Agreement.** Should any legal action be brought by either party for breach of this AHP or to enforce any

provisions herein related to the performance of the Parties as set forth in this AHP, the prevailing party in the action is entitled to reasonable attorneys' fees, court costs, and any other costs as may be fixed by the Court.

**10. Agreement Runs With The Land.** Except as otherwise provided for in this AHP, all of the provisions, rights, terms, covenants, and obligations contained in this AHP are binding upon the Parties and their respective heirs, successors and assignees, representatives, lessees, and all other persons acquiring the property this AHP applies to, or any portion thereof, or any interest therein, whether by operation of law or in any manner whatsoever. All of the provisions of this AHP are enforceable as equitable servitudes and constitute covenants running with the land pursuant to applicable laws, including, but not limited to, Section 1468 of the California Civil Code. Each covenant to do, or refrain from doing, some act on the property subject to this AHP, or with respect to any owned property: (1) is for the benefit of such properties and is a burden upon such properties; (2) runs with such properties; and (3) is binding upon each party and each successive owner during its ownership of such properties or any portion thereof, and shall be a benefit to and a burden upon each party and its property hereunder and each other person succeeding to an interest in such properties.

**11. Indemnification.** Landowner agrees to indemnify, defend with counsel selected by the City, and hold harmless City, and its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives from any and all claims, costs (including legal fees and costs incurred by the City or awarded to plaintiffs) and liability for any personal injury or property damage which may arise directly or indirectly as a result of any actions or inactions by Landowner, or any actions or inactions of Landowner's contractors, subcontractors, agents, or employees arising out of or related to the obligations of this AHP. Landowner has no indemnification obligation with respect to the negligence or willful misconduct of City, or its elected and appointed councils, boards, commissions, officers, officials, agents, employees, and representatives.

**12. Cooperation In the Event of Legal Challenge to this AHP.** In the event of any legal or equitable action or other proceeding instituted by any third party challenging the validity of any provisions of this AHP:

**12.1.** The City and Landowner agree to cooperate in defending against the action or proceeding.

**12.2.** Landowner is solely responsible for its own costs and any costs incurred by the City for such defense.

**12.3.** Neither Landowner nor the City shall settle any action or proceeding on grounds that include non-monetary relief or admissions of liability without written consent of the other party. City agrees not to settle any action based upon monetary relief without the written consent of Landowner, unless City is solely liable and agrees to pay such monetary relief.

**13. Third Party Beneficiaries.** This AHP is made and entered into for the sole protection and benefit of Landowner and City and their successors and assigns. No other person shall have any right of action based upon any provision in this AHP.

**14. Notices.** All notices and other communications required or permitted under this AHP must be in writing and must be delivered in person or sent by certified mail, postage prepaid, or sent by facsimile or electronic mail.

**15. Assignment and Release.** From and after recordation of this AHP against the Property, Landowner shall have the full right to assign this AHP as to the Property, or any portion thereof, in connection with any sale, transfer or conveyance thereof, provided that: (1) Landowner will pay City any and all fees or amounts due to City, as set forth in Section 2 of this AHP, and (2) upon the receipt by the City Community Development Director of the express written assignment by Landowner and assumption by the assignee of such assignment in the form approved by the City. Upon the payment of such fees or amounts due (which shall be acknowledged on the assignment by the City Community Development Director upon the request of Landowner) and the City's receipt of the express written assignment by Landowner, the assumption by the assignee of such assignment, and the conveyance of Landowner's interest in the Property related thereto, Landowner shall be released from further liability or obligation related to the portion of the property so conveyed and the assignee will be considered the "Landowner," with all rights and obligations related thereto, with respect to such conveyed property.
